

GENERAL NOTES

It is the Contractor's responsibility to check all dimensions, specifications & details, and to inform the Owner or Designer, in writing of any discrepancies or unforeseen site conditions.

- All work and Materials must conform to Ontario Building Code requirements
- No work may proceed until Stamped/Approved Drawings from the relevant authorities are issued and received. Those Drawings are to be available on site upon request.
- All drawings, specifications and details remain the property of the Designer and must be returned at the completion of all work.
- Drawings are not to be copied or altered without the express permission of the Designer.
